Office Action Summary

Art Unit: 3652

DETAILED ACTION

1. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

called to verify
patent no. for
Zarudiansky. No
for this and given.
2. Claims 26-29, 38, 39 and 42 are rejected under 35 U.S.C. 103(a) as being unpatentable over Harvill in view of Zarudiansky. ⁴³⁰²¹³⁸

It would have been obvious to provide force feedback to the device in Harvill as claimed in view of the teaching in Zarudiansky.

3. Claims 26-29, 34-37, 47-49, 51 and 52 are rejected under 35 U.S.C. 103(a) as being unpatentable over Harvill in view of Jones et al. ³²⁶³⁸²⁴

It would have been obvious to provide force feedback as claimed to the device in Harvill in view of the teaching in Jones.

Regarding claim 29, note 44 in Jones is broadly a cable.

Regarding claim 37, any type of sensor could be used for 12 and 20 in Jones.

4. Claims 40, 41, 43, 44 and 50 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3652

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
